RDM Corporation Wins KPMG Excellence in Technology Award

WATERLOO, ON, December 22, 2009 – RDM Corporation (TSX: RC), a leading developer of specialized software and hardware products for electronic payment processing, announced today that it was recently recognized at the 2009 Waterloo Region Business Achievement Awards.

RDM received the KPMG Excellence in Technology Award, presented to a company that has demonstrated outstanding entrepreneurial achievements through the organization, development, management and/or application of a new technological concept, while achieving measurable business results.

“We are very proud to be recognized for having built a leading North American payment processing business,” said Douglas Newman, President and CEO of RDM. “This award is an acknowledgement of the collective ingenuity and hard work of our entire team.”

For the past 25 years the Waterloo Region Business Achievement Awards have honoured local businesses that have excelled or made an outstanding community contribution. The event is organized by the Waterloo Region branch of Junior Achievement, a non-profit organization dedicated to providing business education to young people who will become the future workforce of our country.
